

ceive a certificate of stock in some one of the government funds, either the "Consolidated," the "Reduced" or the "New three per Centa." The stock is ordered and actually bought for his account, as if through a broker, and he is charged with the expense attending the

should do its work and extricate them as deliberations everything of a partisan or useless character. It was his intention to call the funding bill up immediately after the electoral resolution had been disposed of.

Mr. Conger: The gentleman proposes to call it up this session.

Mr. Wood: I propose to call it up as

Mr. Cox, of New York, thought he could put matters in a nutshell: Suppose the certificates of the State of New York, at some time between the time they left Albany and the time they were opened by

Mr. Garrett Re-elected President of the B. & O. R. R.
BALTIMORE, December 8.—John W. Garrett was to-day re-elected President of the B. & O. Railroad Company for the ensuing year.

et, high, one pillar to every block Broadway, from Union Square to Third fourth street. It is intended to support lamps by which the company proposes to light that portion of the city on Christmas Eve. Each light will, it is promised, be a two thousand candle power light, equal to about one hundred gas lights.

An exhibition of panoramas, etc., at Methodist Church, Friday evening, illustrate "that grandly sublime, strange, bewildering, soul-stirring, indescribable and intensely interesting poem of immortal Milton, Paradise Lost," as bills say. One half the gross receipts for the church.

LONDON, December 8.—The International regatta for the American prize off till next summer,
